**BELIEVE ACHIEVE SUCCEED**

**FAITH**
Faith is like Wi-Fi, it’s invisible but it has the power to connect you to what you need.
Dear Parents and Members of our St Brigid’s School community,

Congratulations to all our students who were presented for the Sacrament of Reconciliation last night (Tuesday 24th May). It was a wonderful evening as the children were presented to Fr Erick by their family to enter into this very personal moment with our God who will always love and forgive us. It is important at this stage to reflect on the words of Pope Francis who stresses how important it is to show and seek forgiveness:

But the most important thing is to walk together by working together, by helping one another, by asking forgiveness, by acknowledging one’s mistakes and asking for forgiveness. And also by accepting the apologies of others by forgiving—how important this is!

Again, within the church last night there was a sense of that community spirit that encapsulates our school. Many thanks to all parents and staff who have assisted in the preparation of these students for this special time on their sacramental journey.

Peace and best wishes for a great week.

Tony
Tony Hunter
Principal

CONGRATULATIONS to Emma and Jordan Rixon on the birth of their baby, Penelope Grace. This is a new baby sister for Jarrod (in Kindergarten), Carissa and Heidi. We ask for God’s blessing on the Rixon family, especially for the precious gift of their new little girl.

---

Principal

Tony Peace and best wishes for a great week.

Many thanks to all parents and staff who have assisted in the preparation of these students for this special occasion.

---

CONGRATULATIONS

A Mercy Prayer

As we speak
May we speak of love and acceptance.

As we listen
May we hear the call to be Christ in the world.

As we walk May we walk with those in need.

As we live May we live the thoughts and actions of Jesus. Amen.

---

Curriculum

PUPIL FREE DAYS: Each school within the Diocese is allocated 5 days to use for the Professional Learning for staff in relation to Government, Diocesan and local school needs. The next 2 Pupil Free Days for our school will be:

- Friday 1st July (last day of Term 2)
- Monday 18th July (first day of Term 3)

STUDENT REPORTING: At St Brigid’s we are committed to creating a learning environment that allows all students the best opportunity to achieve in their learning. We are extremely proud of the emphasis that is placed on learning and the supportive structures we have in place to ensure we are able to maintain our focus on learning.

Semester One Reports will be sent home towards the end of Term 2.

At St Brigid’s, we respect the dignity of every child. Our aim is to nurture all learners; whilst providing parents and guardians with honest information about their child’s learning and achievements during Semester One. Stage 1, 2 and 3 reports use an A-E grading scale. Kindergarten parents are provided with a report on their child’s progress in Semester One but not using the A-E grading scale.

Your child’s teacher(s) will make a professional on-balance judgement to determine which grade best matches the standards your child has achieved. This is based on all assessment information that has been collected during Semester One. This information is then used to allocate an A-E grade. There are no set numbers of grades allocated in a class or school. Each student receives the grade for which he or she has demonstrated achievement. The Common Grade Scale shown below is used to report student achievement in all NSW schools.

- The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these skills to new situations.
- The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.
- The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.
- The student has a basic knowledge and understanding of the content and has achieved a limited level of competence in the processes and skills.
- The student has an elementary knowledge and understanding in few areas of the content and has achieved very limited competence in some of the processes and skills.

If you have any questions or concerns relating to the A-E Common Grade Scale, please do not hesitate to contact me or see your child’s teacher, as they are more than willing to assist you in this area.

Community

SCHOOL PARENT FORUM: The next meeting of the Parent Forum is Tuesday 31st May commencing at 6pm. If you would like to assist on any of our Forum teams, please do not hesitate to contact either myself or the Team Leaders.

WHAT IS HAPPENING AT OUR SCHOOL? Just a reminder that there are lots of activities and events happening in our school. May I suggest you access information via the following manual and digital resources:

- Read the school newsletter which comes out each Wednesday. It is the source of the latest information and is sent home each Wednesday.
- Access the Facebook pages within our school. There is a page for each Stage and a Whole School Facebook page. These are closed sites and only accessible by members of the school community. These are updated constantly and are used for the purpose of communicating information to the school community.
- Access the School Web Page at www.sbpkyogle.lism.catholic.edu.au – It contains a lot of information about our school and here you can access the updated online calendar.
- The Skoolbag Apps—All newsletters and event notifications are posted on our Skoolbag App. Go to http://www.skoolbag.com.au and follow the instructions to download this App onto your iPhone, iPad or Android device.
- The changeable sign on the Summerland Way is updated on a very regular basis.

WALK SAFELY TO SCHOOL DAY: Thanks so much to all students, parents and staff who were able to take part in the WSTD last Friday morning. It was a beautiful morning for a brisk walk to school and was a wonderful way to start the day.
